The Association of Fundraising Professionals-Indiana Chapter (AFP-IC) is a network of 375 professional fundraisers and service providers in central Indiana, all working on behalf of important nonprofit causes in our community. They have decision making power, leveraging their budgets to engage the community. They also interact personally with thousands of companies, foundations and high net worth individuals who support their causes, raising hundreds of millions of dollars annually. Your support improves philanthropy and helps members better address community needs. To discuss these opportunities, please contact:
